Cameron Kicks Open Grid Season Here Friday With University High

Yoemen Playing With Green Line; Nimble Backfield Predicted

Cameron Yoemen will kick the lid off the 1954 football season Friday night at the local stadium. The unpredictable gridironers will entertain the highly praised University High Trojans from Waco. Game time is 8 p.m.

The Yoemen have been training for the past three weeks and scrimmaged during this time against Lockhart, Giddings, and Holland. The majority of the team is unexperienced, but it is hoped that before the district games that the girdders will gain in knowledge, skill and technique.

The Maroon and Grey clad boys from Milam county take to the field with ten lettermen from the 1953 team that clinched a tie for first place slot with Belton and Rosebud. Heading the list of lettermen are Jimmy Rettig and Leon Beale, who have both earned two letters. The two ball carriers were on the starting line up last year. The only regular starting player in the line returning is Tom Collins, a junior.

Other lettermen are Joe Lee Heitmann, Joe Michalka, Clifford Angell, Albert Mondrik, Buddy Thompson, Benny Massengale and George Absnaider.

The University High Trojans will be manhandled by Lonnie Thomas, 140 pound quarterback, who is noted for his outstanding play calls. Thomas will be wearing the number 10 purple and white jersey.

The Trojans are also boosting two of the finest tackles. Team Captain Jim Payne, 198 pounder and heavy Gene Perkins, who weighs in at 205. Waco's line will outweigh the local's by at least twelve pounds.

Coaching the Trojans are Bill Fowler, Jasper Garland and Hogo Pearson. The Trojans opened this week with a lengthy scrimmage. After short ones in the latter part of the week, Coach Fowler reported that the offense was clicking off better.

Assisting in the backfield with Thomas will be sophomore half-

Maysfield Gin Bur House Destroyed By Fire Thursday

The bur house at the Planters Gin at Maysfield burned around 3:30 p.m. Thursday afternoon. The origin of the fire was not known. One of the employees at the gin saw the house had caught fire and the Cameron Volunteer Department was summoned.

A number of local firemen assisted in extinguishing the blaze. The damage was set at around $1,500. None of the cotton or cotton seed was destroyed.

J. C. Freeman of Maysfield operates the gin and over 1100 bales of cotton has been ginned there this season.

Election Judges, Clerks Praised For Work At Primary

Election managers and clerks over the county who assisted in compiling returns for the August run-off primary have been commended for their exceptional quick and accurate tabulation of returns.

The polls closed at 7 p.m. Saturday. At 7:03, Rufus Cryer, election manager at Crush, Precinct 31, telephoned his returns in. A minute and half later, Mrs. Shelby, manager at Gay Hill,

Building Boom Continues; $53,150 Reported

The building boom in Cameron continued through this past month as Neomie Needham, city secretary, reported that ten permits amounting to $53,150 were issued.

This is an increase of $19,742 from the total reported during August of 1953. That month's total was $33,408.

Receiving permits were Mrs. S. A. Cottle, $4,000, building; Ieland Green, Sr. $150, repairs; Mrs. Agnes Dusek, $8,000, building; James M. Evard, $500, building; Gillis Graham, $7,000, $8,000, and $7,500, building; Church of Nazarene, $5,000, building; Lovis McLaughlin $6,000, building; and Ray Barmore, $7,000 building.

Mrs. Needham also reported that the income from parking meters during August amounted to $897.26. The total during August, 1953 was $1,275.61.

Burlington Annual Church Picnic Sunday, Sept. 12

St. Michael's Catholic Church of Burlington is sponsoring its annual picnic Sunday, September 12 at the Burlington Hall.

The annual affair begins at 2 p.m. and at 4 p.m. until 8 p.m. a homemade sausage and chicken supper will be served. All sorts of games, refreshments and eats will be available during the day.

The Texoma Cowboys will furnish the music for the dance that night.

The public has been extended a cordial invitation to attend this affair and especially to enjoy the supper featuring the homemade suasage.

Final Services For Mrs. L. L. Blaylock Held September 4

Mrs. L. L. Blaylock died at 10:30 a.m. Friday, September 3, at the home of her daughter, Mrs. Drayton McLane. She has been ill for several months and had recently undergone surgery at St. Edward Hospital.

Mrs. Blaylock was born June 8, 1878 in the Branchville community. She was the daughter of the late Sally Newman and John Payne who were among the early and well known settlers in that part of the county.

She was the widow of the late L. L. Blaylock who served Milam County as Sheriff for 14 years. They were married December 27, 1899. Mr. Blaylock died in May 1941. The Blaylock family has been prominent and active in the affairs of their community. Mrs. Blaylock was a member of the First Baptist Church and was very active in the church during its early history.

Funeral services were to be held from the First Baptist Church at 4 p.m. Saturday, September 4 with Rev. A. F. Russell, pastor and Rev. John C. Solomon, minister, First Presbyterian Church officiating. Interment in the Oak Hill Cemetery with Marek-Burns Funeral Home directing arrangements.

Survivors include five daughters, Mrs. A. J. Lewis Mrs. Drayton McLane and Mrs. O. B. Harden of Cameron. Mrs. Sam McDermott, Jr., and Mrs. W. S. Peeler of Texas City, one son, L. L. Blaylock, Jr. of Indianapolis, Ind., one sister, Mrs. B. F. Gafford of Austin, thirteen grandchildren and three great-grandchildren.

The body will be at the McLane home until the funeral hour.

Pythians Schedule District Meeting Here Monday

There will be a District meeting of all the Knights of Pythias Lodges in District No. 9 at the Castle Hall of Milam Lodge No. 125 in Cameron on the night of September 13th, this being the regular Monday weekly meeting night.

Speakers for the evening will be N. K. Woorner of Austin, Lodge No. 34 and James Palasota of Midlothian Lodge No. 50 of Temple. D. D. G. C. Gus Hilbers of District No. 9 will be in charge of the meeting.

Refreshments will be served starting promptly at 7:30 p.m. with the program to follow at 8:00 p.m.

All members of Milam Lodge are requested to attend. Some forty out of town visiting Pythians are expected.

The Rank of Knight was confered at the regular weekly meeting held Monday evening September 6th.

Matyastik Gin At Rogers Destroyed By Fire Early Wednesday

Matyastik Gin at Rogers was completely destroyed by fire early Wednesday. The origin of the fire was not revealed. The fire started around 4 a.m.

Forty-three bales of cotton were destroyed along with the gin. Forty-six were on the lost but three were saved.

Jim Matyastik is manager at the gin. His father, W. T. Matyastik of Cameron, purchased the gin about three years ago from the Southland Cotton and Oil Company.

A large amount of seed was also destroyed in the blaze. The estimate on the damage has not been determined at this time.

Judge's Decision Appealed To Higher Court; $5000 Supersedeas Bond Filed By Defense Counsel

After a trial held largely behind closed doors settling "arguments of law", District Judge O. D. Graham ruled that Article 13.42 of the election code be upheld and the votes in Rockdale's absentee box 15 be counted and entered in the final records.

Article 1342 on which Judge Graham based his decision reads, "No immaterial error made by any officer of a primary election or any immaterial violation of the primary election laws by any elector, shall vitiate any election held under this title, nor be the cause of throwing out the vote of any election precinct."

Immediately following his decision E. A. Camp, attorney for the defendants Leo J. O'Neill, Mrs. Lucile Erwin, and Miss Doris Gamble asked for an appeal with supercedeas bond which was given by the court in the amount of $5,000. Next recourse of the defendants will be the Court of Civil Appeals in Austin.

During the proceedings 21 witnesses out of a possible 247 absentee voters were called to the courtroom to offer testimony and later all 219 were dismissed on the order of the court that their testimony would not be used since, "none of the 219 witnesses sought by defendants had any knowledge of what happened before the canvassing board, and were accordingly excused and dismissed from further attendance of the sessions."

Earlier in the proceedings the defendants asserted their rights "under the Constitution" and refused to testify in the case on the grounds that their testimony might tend to incriminate them.

At the outset of the case attorneys argued whether on not the 247 absentee ballots cast in Precinct No. 15 and later challenged by Don. Humble, a private citizen, should all be rejected or investigated and only the illegal ballots, if any, cast out.

The plaintiffs claim was that the majority of the people voting in that box were acting in good faith and their votes, according to American tradition and heritage, should be counted.

Members of the defense claimed that witnesses should be allowed to prove that there was no vast lack of discretion on the part of the election officials as resolved by the plaintiffs, but to also prove that the shadow of doubt should cover the entire box in lieu of what the witnesses could testify.

Peppery E. A. Camp and his son E. B. Camp fought their way to a verbal standstill in their contention that "something is rot-

Edelmon-Eagle Construction Co. $275,000 Damage Suit Postponed

The case of Opal Edelmon et al vs. Eagle Construction Company of Dallas has been postponed at the request of the plantiffs and defendants. The case was scheduled to be tried in district court before a jury on Monday September 6.

The action is a suit for damages arising from the death of the husband of the plantiff, caused by the alleged negligence of the construction company on the Aluminum Company of America plant near Rockdale.

A petition was filed by the plantiffs which includes Mrs. Edelmon and her five children, Louie V. Edelmon, Mary Joe Edelmon, Frank Elton, Ruby Edelmon and Robert Francis Edelmon on August 19, 1953 in the amount of $275,000.

Jim Miller, county attorney said that both parties were not ready for trial was the reason for the postponement.

The petition filed, stated that Louis Cole Edlemon, deceased, was working at the bottom of a big excavation when a bucket from a drag line which the defendants company was lowering materials by means of a dragline, crushed and pinned the deceased to the ground, severing both legs, right arm and inflicting other injuries.

Eldmon died several hours later.

18 Year Old Men Register At Board

Twenty-three Milam County men became eighteen during August and registered with the local draft board office in Cameron. They are: Rogers Lee Shuemate, Cameron; Lee Roy Franklin, Cameron; Billy Floyd Dodson, Maysfield; John Valverde, Rosebud; Emeral Lemons, Davilla; Cecil Wayne Baker, Cameron; Kenneth Dail Moore, Cameron; John Robert Caffey, Buckholts; Cecil Wayne Canady, Jones Prairie; James Turner, Cameron; Edward Walter Milligan, Cameron; Ralph Joseph Kahlig, Burlington; Jimmy Frank Dockall, Rockdale; Gary Proctor Jones, Minerva; Claro Canizales, Cameron; Rudy Rangel, Cameron; William Rowland Newton, Cameron; Elmer Ray Parcus, Maysfield; Martin Everett Allsup, Jr., Cameron; Jimmy Hauk, Rosebud; James Elton Coward, Cameron; James Irvin Finch, Minerva and Talvis David Wilson, Rockdale.

Four men will be inducted at Love Field in Dallas on Tuesday, September 21. The October quota for induction of men from Milam County is for six men on October 18, 1954. Orders for this call will be mailed later in September.

County Jail's Brief Residents Set Record Last Month

Milam County Sheriff Carl C. Black reports that 106 persons were booked in the county jail during the month of August. This number is the largest on record, the sheriff said.

This figure does not include persons arrested in Rockdale, Thorndale, Burlington and other communities, who were tried at the city courts and Justice of Peace and not taken to jail. The above number actually spent one or more nights in jail.

Persons booked were between the ages of 17 to 60. The second largest number reported was in September, 1951 when 99 were jailed. In September 1948, 94 were booked for jail sentences. August, 1953 included 91 persons. July, 1954 the number was 68.

First Baptists Hosts At Evangelism, Stewardship Meeting

First Baptist Church of Cameron will be host to the Milam Baptist Association for the Evangelism-Stewardship Conference next Wednesday, Sept. 15.

A team composed of the following will present the program and lead in the conference: Captain - Dr. Forrest C. Feezor, State Executive Secretary; Evangelism - B. J. Martin, Childress; Stewardship - Herbert Howard, Dallas; Music 1 C. D. Pruett. Nocona.

Similar teams are leading Evangelism - Stewardship Conferences simultaneously throughout the state.

At four o'clock in the afternoon the visiting team will meet with various committees. At five the executive board of the Milam Association will meet. Then at six supper will be served by the host church. At seven, the Evangelism -Stewardship Conference will begin.

A large number of representatives from each church in the association is expected.

Reports Indicate 11,461 Bales Ginned In Milam County By Monday

A report was received Monday, September 6 revealing that 11,461 bales of cotton had been ginned this season at the Milam County gins.

This figure is around half as many reported at this time last year. Some 36,000 bales were harvested in this county in 1953.

Billy Bickett who makes these reports is connected with the placement of the migratory cotton pickers in this county. Around 1200 cotton pickers have been in Milam this year during the cotton harvest.

The county gins and the number of bales each has ginned are listed as follows: Kosel Gin Ben Arnold, 797; Clarkson Gin, 510; Burlington Gin, 579; F. H. Weid Gin at Burlington, 654; Buckholts Farmers Gin, 1232; Modern Gin at Buckholts, 893; Farmers Gin at Cameron, 937; Weems Gin, Cameron, 536; Matyastik Gin, Cameron, 491; Yarrellton Gin, 515; Davis Gin, Sharp, 758; Maysfield Gin, 1110; L. L. Worley Gin, 694; Thorndale Co-Op Gin, 807; Red Gin, Thorndale, 659; and Val Verde Gin, 289.

P. W. Davis, manager at the Cameron Compress said Tuesday afternoon that over 9,000 bales had been reeived at the compress this season. He said this figure was around half the amount received up to this time last year.

A report from gins in this county as of September 1. 1953 indicated that over 16,000 bales were harvested. The Farmer's Gin at Buckholts lead at that time with 1465. They have a silght edge over the Maysfield gin in this report with 1232.

1,484 Registered In Cameron Schools; More Expected

Freshly scrubbed little fists tightly clutching new pencils, scissors and paste while shining eyes, filled with wonder, gaze at a new teacher whose every word is locked securely in each first graders treasure of memories.

Yes, it is the first week of school, with all of the 1484 students and 50 teachers looking forward to a year filled with study, pleasure and extra-curricula activities.

First, second and third graders moved into their lavish new quarters named the Ben Milam school, building, this September. There are four divisions of each of these grades, each averaging 25 pupils to a classroom.

There are 615 students in the Elementary schools to date, Wiley Loughmiller, principal reported, with the numbers increasing daily. It is expected that at least 125 more students will register during this month.

The attendance officer reported that he is checking the census and all students listed who are not yet attending school will be contacted and directed to registed immediately.

There are seven new teachers on the Elementary staff. Mrs. Marlin Harris will be in charge of one of the first grades; Miss Susan Rossan, a second grade; Mrs. C. A. Schofield, second

Milam Traffic Deaths Mount To Four Dead

Daniel Cantu of Corpus Christi, a Mexican local farm worker, was fatally injured Tuesday lost control of the 1948 Chevrolet he was driving on Farm Road 600 near the Sandy Creek Bridge. afternoon at 2 o'clock when he The car flipped twice pinning him underneath the vehicle.

This makes the fourth traffic death for Milam County this year.

Cantu was rushed by ambulance to the St. Edwards Hospital, but was dead upon arrival.

He and his brother had been working on one of the local farms and he was returning there from Cameron where he had gone to send money to his family in Corpus Christi.

MRS. MOTT HITS COW

The first accident over the Labor Day Holiday happened Monday at 8:15 p.m. when Mrs. Annie McCall Mott was going to her home in Waco and ran into a cow about seven miles outside of Rockdale.

She stated that she was driving 55 miles per hour and didn't

Mr., Mrs. Carpenter Move To Lancaster

Mr. and Mrs. Floyd Carpenter have recently moved from 1703 North Harding, Cameron, to 218 West 6th St., Lancaster, in Dallas County.

Mr. Carpenter has been assigned additional duties by his company, Southland Cotton Oil Company in their Dallas office at 615 Thomas Building, which will require most of his time. He will, however, maintain an office at the local oil mill, as he will be here one or two days each week on business.

Annual Firemen's Convention Scheduled Here October 3

The 36 Annual Convention of the Central Texas Volunteer Firemen's Association will be held in Cameron, Sunday, October 3.

Some six hundred delegates and visitors from thirty-three central Texas Cities are expected to attend the convention. A committee composed of local firemen are working out necessary details for an interesting and entertaining program.

No solicitations will be to any of the merchants in Cameron to make the convention possible, however, all citizens are welcome to make contributions to help defray the expenses. Tickets to the barbecue may be purchased at the following places, Culpepper's, Laake's Drug Store, Schiller Pharmacy, Texas Power & Light Company. The deadline date for sale of these tickets will be Monday, September 27. All volunteer donations will be accepted and appredicated by the firemen.

The volunteer fire department does a fine job in serving the city and surrounding areas. They come everytime they are summoned, day or night.

The Cameron department has the reputation of putting on a good convention, Full details of the day's program will be forthcoming.

The convention was held here last year and met with great success.

LITTLE RIVER PHILOSOPHER WILLING FOR GOVERNMENT TO GAIN DIPLOMATIC VICTORY OVER HIM, EUROPEAN STYLE

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River may have a good idea this week, but he won't get anywhere with it.....

Dear editar:

I don't know anything about international diplomacy, don't even know anything about local diplomacy or I'd figure out a way to pacify my neighbor when my cows jump my fence in to his pasture, but I was reading the other day about some international diplomacy which interest me.

Accordin to this item, the United States has just succeeded in getting West Germany or maybe it was East Germany, I forget which, to accept a big shipment, of food, from us, free of course, and some officials in Washington hailed this as a great diplomatic victory.

I have pondered this a long time and have decided I wish the government would win a few diplomatic victories over me.

For example, say the government has some surplus hay on hand and wants to let me have some, just to keep my friendship. If all I had to do was act like I wouldn't think of acceptin any of that hay, ignore their offer, draw myself up in a dignified huff, and hold off a while, then magnanimously unbend and agree that after thinkin the matter over for several days and in the interest of international harmony I have decided to go ahead and accept a few loads, if they'd stack it in the barn, of course, I believe I could carry out the part and would be perfectly willin to get the government hail me as another diplomatic victory.

Or say I was passin by a store in town and the owner rushed out on the sidewalk, drug me inside, and insisted I accept a couple of shirts and a pair of shoes, just to give him another diplomatic victory. This thing has great possibilities, if more people would brush up on diplomacy.

If you hear of anybody anywhere, whether it's the government or individuals, who are interested in practicing diplomacy in this fashion, I will be glad to serve as a sort of provin ground. I can think of dozens of diplomatic victories they could win out here on my Johnson grass farm.

Your faithfully,
J. A.

MILAM DISEASES LISTED BY HEALTH UNIT

The Milam County Health Unit lists the following diseases for the week ending Friday, September 3: Scarlet fever 3; Gonorrhea 3; Measles, 1 and Pertussis 1.

Dr. John B. Bryson, county health physician, makes these weekly reports.

Fred M. Carroll Purchases Harris Texaco Station

H. L. Harris, who has operated the Harris Texaco Service Station, located at Fannin and 4th Avenue for the past 3 ½ years, this week announced the sale of his station to Fred M. Carroll, formerly of Midland.

Carroll, who graduated from Ballinger High School and received his B. B. A. from Baylor University in 1948, has been associated with the Shell Oil Company at Midland as a crude oil buyer since 1948.

He is married to the former Dorothy Perrin of Cameron, daughter of Mr. and Mrs. E. A. Perrin of this city. Mr. and Mrs. Carroll have a daughter, Priscilla, who is one year old. They are living at 304 East 13th Avenue.

Mr. Carroll states that he will indeavor to make the Carroll Texaco Service Station a credit to the City of Cameron. "My station will render service that can't be beat," Carroll stated.

The Carrolls are members of the Methodist Church. While at Midland, Mr. Carroll was a member of the board of stewards, choir director and in charge of the lay leaders. He is also a member of the Lions Club and was associated with the YMCA and sponsor of the Little League at Midland.

Mr. Harris, in his announcement said, "I wish to express my appreciation to my customers for their faithful patronage and urge them to visit Carroll's Texaco Station." Mr. and Mrs. Harris have not announced their plans for the future.

Den Two Cub Scouts Cook Food Out Of Doors Monday

The Den Two Cub Scouts held their regular meeting Monday, August 30 in the back yard of their Den Mother, Mrs. Bill Wallace from the hours five to seven.

The regular business was attended to first. Since the theme of the month was "Out-of-Doors" the Cubs busied themselves by building a camp fire which they later used to cook their food.

All Cubs were present. Mrs. Wallace was assisted by Mrs. W. A. L. Robinson.

New Inspection Period For Autos Set By State Office

Homer Garrison, Jr., Director of the Texas Department of Public Safety, said Wednesday that the Public Safety Commission has officially set the dates for the new inspection period for autos under the provision of the State's Motor Vehicle Inspection Act.

Texas motorists must secure the annual inspection of their cars between September 15, 1954, and April 15, 1955, according to the Commission Order.

At the same time George Busby, Chief of the DPS Motor Vehicle Inspection Division, said that the inspectors from his office have filed 106 cases against car owners who failed to have cars checked during the current inspection period. These, he said, are in addition to those cases filed by members of the Texas Highway Patrol and by various local police departments throughout the State.

Unable to give an estimation of the actual number of violabeen made during the 1953-54 tions for which arrests have period, Busby said that he "believed the figure ot be comparatively low" due to the fact that frequent spot checks indicate that Texans have conformed with the law "almost 100 percent."

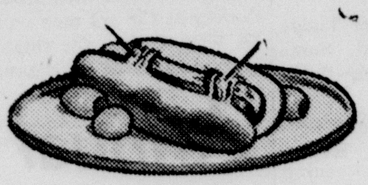
TRY THESE PARTY SNACKS ... DELICIOUS WITH COKE

PIZZALETTO—On English muffin halves, place sliced cheese and tomato. Sprinkle with grated onion, Parmesan cheese, salt, pepper. Scatter small bits of bacon over top. Bake at 450° for 8 to 10 minutes.



SUPERFRANKS—Into slit in frankfurter, stuff mixture of sharp cheese, minced olives, seasoned to taste with mustard and Worcestershire. Wrap franks with bacon. Heat under broiler, 8 minutes one side, 5 on other. Serve in buns.

A good hostess serves what guests like best ... and everywhere, that's Coca-Cola, with its can't-be-matched flavor. Coke adds to the life of the party, and there's nothing as delicious to go with a hot snack. So easy to serve, too ... ice cold, in the bottle.

Bulldogs Should Cop District If Breaks Fall Their Way Coach Says

Coaches E. L. Aycox and W. J. Anderson will have nine lettermen back who will form the nucleus of the 1954 Bulldog football team. These heading the list include the senior fullback, James Turner, who weighs 160; Lawrence Roberts, 145 senior right halfback; John Campbell, senior quarterback, 155; and James Dickey, the only sophomore, who weighs 150 and is left halfback.

Linemen returning are Franklin Malone, 155, senior; Hubert Debose, 165, junior; McKinley Petty, 150, senior; John Boyd, 165, junior; and Edward Boyd, 130, junior.

All of the above boys were mainstays on the Bulldogs 1954 football team and gained plenty of experience in tussels from last year. They will be bidding for the starting positions, but keen competition is expected from the returning squadmen who are:

Floyd Dickey, 150, Freshman; James Ellison, 140, junior; Johnny B. Wright, 150, junior; Kenneth Moore, 140, senior; Billy Swain, 140, senior; Othea Baker, 145, senior and R. L. Rose, 170, junior.

Team play will be incouraged by the following list of boys who came out for the team for the first time and who will hold the skeleton of the Bulldog eleven during the coming years. They are Charles Hobbs, 160, junior; Robert Wright, 160, sophomore; Billy Campbell, 145, senior; Q. C. Prett, 165, freshman; Irwin Whitehead, 150, junior; Gene A. Debose, 140, sophomore; Leonard Knox, 150, freshman; Rufus Green, 145, sophomore; Tommie Minnitt, 135, freshman; Willie Williams, 140, junior; Willie Lemons, 135, freshman; Curtis Rayford, 145, sophomore; Noland Webb, 140, sophomore; Donnie White, 140, freshman; and Ezzell Baker, 135, sophomore.

The boys are out for the team practice daily from 7:30 p.m. to 9:30 p.m. at the Colored City Park on the lighted field. The coaches feel that the boys are gaining experience daily and it is expected that they will hold their own during competition this fall. In fact, if the breaks are good, and the team keeps up their improvement, the coaches feel the boys are capable of copping the conference cup. Taylor and College Station are expected to be the toughest opponents this year. Coach Anderson feels that they will have top teams again this year for they always field a strong eleven. Taylor won district last year.

The Bulldogs play in District 8-A and had a district record last year of four won and two lost.

Two former O. J. Thomas High School graduates are coaching the team this year. D. S. Poole, who was head coach last year, stepped down from the position this year due to a leg injury sustained several weeks ago. E. L. Aycox, who has been on the coaching staff here for the past six years, took over the head coaching job. He graduated from the local school and played four years of college football at Paul Quinn College at Waco, where he received his degree. He also teaches math and physical education at the school.

Anderson, assistant coach, also graduated from O. J. Thomas High School and received his college degree from Prairieview A & M College. He has been with the local school for the past five years, where he also teaches social science.

The schedule is as follows:

Sept. 17	Temple	Here
Sept. 24	Brenham	There
Oct. 1	*Taylor	Here
Oct. 8	*Rosebud	There
Oct. 15	*College Sta.	Here
Oct. 22	*Caldwell	Here
Oct. 27	*Rockdale	There
Nov. 5	Cuero	Here
Nov. 12 *	Snooks at Caldwell	
Nov. 19	*Rosenthal at Waco

Maggie J. Williams To Go To College On Scholarship Awards

Maggie J. Williams, a 1954 graduate of O. J. Thomas High School, will enter Huston-Tillotson college in Austin, September 9.

Maggie will take a predental course including courses in science, history, and government. She graduated from O. J. Thomas as valedictorian. She received the Flinn scholarship and also a scholarship from Huston-Tillotson College.

Maggie is the daughter of Rev. and Mrs. John W. Williams of Milano.

O. J. Thomas Pupils Warned of Dangerous Traffic on Highway

Parents of the children attending the O. J. Thomas School have been asked to remind their children of the danger involved now when they are crossing the recently constructed Highway 36 from Temple to Cameron. Principal C. L. Sadberry said that the school administration will do everything they can to emphasize to the sutdents that they should be careful when they cross the highway.

He stated that most children will have to cross the highway three or four times a day, at different points and it would be at all times necessary for them to be extra careful.

Sadberry said that about one-third of the students have to cross the highway. He wanted them to be cautious and to help prevent accidents and thought if the children are instructed at home first that many accidents can be prevented. Although the children cross the highway in the city limits, the traffic is still very fast and it is necessary that they be extra cautious now. He also warned the students to stay off the Southern Pacific railroad when they are walking to or from school. Some of the children walk along the tracks and Sadberry had stated that they are to stay clear of the railroad in order to prevent accidents in that vicinity.

Hubam Clover Cover Crop Protects Crops from Drouth

to be the most popular in the Central Texas area is the deep-rooted hubam clover.

In addition to being a profitable cash crop, hubam has proven it's worth as a cover crop that will protect the soil over a long period of time.

When seeded in the fall of the year, hubam affords excellent protection to the soil through the winter months and also during the spring months which usually brings our high intesity rains.

After the seed crop is harvested, the mulch that is left on the ground gives excellent protection from erosion and rids it reducing the rate of evaporation by keeping the soil temperature lower.

The deep, penetrating roots, and the organic matter which is returned to the land greatly improves the structure of the soil and allows more moisture to be absorbed. Since a good soil is full of bacteria and other living organisms, air, water, and food must be available in order for the organisms to live.

A soil that has a hard pan, is run together, and low in organic matter will not support life for the bacterias roots decay, ministure passages are left in the soil for the movement of air and water.

GO TO THE CHURCH OF YOUR CHOICE NEXT SUNDAY

Texas Methodists To Observe Wesley Foundation Day

Texas Methodists will be observing Wesley Foundation Day at regularly scheduled worship services and special programs on Sunday, Sept. 12. This observance is hel din the interest of students of each individual church and the 30,000 Methodist students all over Texas.

The Methodist Church in Texas operates a program of Bible courses and training activities on a full-time basis at 18 college in Texas, employing 21 full-time workers and part-time workers.

Sixteen Methodist student center buildings are supervised by the church, providing class rooms libraries, meeting rooms and recreational facilities at the campuses of as many colleges.

This Methodist program for students includes the Wesley Foundation organization for the training of students in churchmanship and the Wesley Bible Chairs, through which Methodist instructors teach Bible and religion for full college credit.

Dr., Mrs. S. R. Cotton Home After Vacation To California, Mexico

Dr. and Mrs. S. R. Cotton returned recently from a month's vacation in California and Old Mexico. They visited in the home of Dr. Cotton's son and family, Mr. and Mrs. Logan R. Cotton of Rodonda Beach.

They enjoyed a reunion of the members of Dr. Cotton's family with all of the grandchildren and three great-grandchildren being present for the occassion. Dr. and Mrs. Cotton attended the races at Del Mer Race Grounds between Los Angeles and San Deigo. The grounds are owned and operated by two Houston men.

They toured a number of interesting places in Old Mexico before returning home.

CARD OF THANKS

We wish to thank the members of the Cameron Fire Department for assisting us in bringing the fire under control Thursday, at the Planter's Gin at Maysfield.

ATTEND CHURCH SUNDAY

Clinic Report

"Can We Ignore Such Amazing Results"?

HEAD PAINS

A man aged 55 years complained of shooting pains over left side of head for two years. These pains were constant every day. Sometimes the pain would dart into the ear area and would cause dizziness. He suffered from Asthma, too, and the coughing made the head pain unbearable. He went to various well known clinics where head X-rays were made for suspected brain tumor. No help could be had until he came to a Chiropractic Clinic where he found that a fall from a horse had misaligned a neck vertebra causing nerve interference and defective nerve waves to the head and lungs. corrective adjustments restored alignment which permitted a return to normal energization after which all pains ceased and did not return and the Asthma which had been a regular complaint disappeared. This man works daily in a supervisory capacity and claims he feels just grand.

NERVOUSNESS

A man of 33 years came in complaining of nervousness, jerky, jumpy feeling, indigestion with dizziness, awaking tired in the mornings, numbness in left arm and hand and pains in shoulder and lower back, also fever and catarrah. A spinal analysis located defective nerves and X-rays disclosed vertebrae causing nerve interference. Adjustments restored spinal alignment and removed nerve interfernce. When last seen, this case reported he was feeling fine in all respects.

HIGH BLOOD PRESSURE

A man of age 60, weighing 180 lbs., came in with a painful stiffness in his neck which made it impossible to turn his head. He reported high blood pressure and frequent colds. After examination disclosed the cause of his trouble to be a spinal nerve wave interference, we attempted to correct the faulty alignment. This case was discharged free of pains and with blood pressure normal.

AGREED!

NECK INJURIES: Injuries to the neck are common and unless stiffness and pain are marked or persistent, most of us are inclined to forget the incident. All too often some damage is done and years later, symptoms appear. Many vital structures are crowded into a tiny space in the neck area and the openings in the vertebrae through which the nerves exit are small. This makes them more vulnerable to pressure and irritation which in turn leads to discomfort in the shoulder, arm neck or head . . . . A single mishap may be responsible but in many instances it is the cumulative effect of several. Months or years after the injury, a clicking sound, soreness or stiffness in the neck may be the first indication.

Infection, arthritis, ruptured disc, hemorrhage and trauma are the most common factors in producing distress . . Excerpts, "How to Keep Well," Chicago Tribune, by T. R. Van Dellen, M. D.

Reuben Bailey Marrys Betty Meyer Of Moulton in Home Ceremony

Miss Betty Meyer, daughter of Mr. and Mrs. J. L. Meyer of Moulton became the bride of Reuben E. Bailey of Yoakum, son of Mr. and Mrs. Claude Bailey of Cameron, in a ceremony held in the home of Mr. and Mrs. Clyde Meyer at 5 o'clock Sunday evening, August 26.

Rev. J. W. Clanton of Shiner performed the double ring ceremony in front of a picture window in the living room. Tall white baskets of white gladiolas on each side of the window completed the bridal setting.

The bride wore a champagne faille suit, brown bag and shoes, powder blue hat and gloves and a brown orchid corsage. The groom wore a light blue suit with a carnation boutonniere.

Mr. and Mrs. Clyde Meyer were the only attendants. Mrs. Meyer wore a purple faille suit with black hat, shoes and bag, white gloves and a white orchid corsage. Mr. Meyer wore a light blue suit with a carnation boutonniere.

The bride's mother wore a navy blue crepe dress with navy and red accessories and a vanda orchid corsage. The groom's mother was dressed in a navy and white linen dress with navy accessories and a vanda orchid corsage.

The bride's table was covered with white lace tablecloth on which crystal candle holders held tall white candles. Arrangements of majestic daisies served as the centerpiece. On the table that held the bride's book was an arrangement of white pom pom mums.

Miss Patsy Orts of Austin cut the cake. Miss Alice Gaertner of Moulton poured the punch and Miss Arminta Novosad of San Antonio registered the guests.

The newly - weds left on a short honeymoon after which they will live in Yoakum where the groom is employed.

The bride is a graduate of the 1951 class in Moulton.

The groom graduated with the 1947 class of Yoe High School, Cameron. After graduating he attended the Flory Schools of Telegraphy at Houston and completed a course in Railroad and Telephone Telegraphy, after which he was employed as operator and clerk for the Southern Pacific Railroad at Yoakum.

Slumber Party At Colburn Home Honors Off-to-College Girls

Miss Jimmye Rae Colburn honored six girls with a slumber party at her home in the Country Club addition Monday night.

Honored by the occasion were Lu Wane Asher, Anne Hinyard, Lynn Lewis, Beverly Freeman, Martha Collins and Carolyn Russell. These girls will leave soon for college and the party was given as an off-to-college social for them.

Others attending were Nita Archer, Rita Reid and Carol Ann Sanders. The hostess served tuna and pimento sandwiches, cookies and Dr. Pepper.

Marlene Rentchler Complimented At Pre-Nuptial Parties

Miss Marlene Rentchler, bride-elect of Frank T. Hines, was feted at the home of Mrs. William Brookshire with a gift tea. A second courtesy was a coffee and kitchen shower at the home of Mrs. Herbert Keller.

Guests were greeted by Mrs. Brookshire. Receiving with the honoree were her mother, Mrs. Lulu Rentchler and Mrs. Grover Adams. Mrs. Allison Joyce registered the guests; Misses Barbara Bartlett, Mary Frances Joyce and Gracie Nell Hines presided in the room where the gifts were on display.

The serving table was covered with a floor length white net cloth over pink, and French puffs at the corners, which held nosegays of pink carnations. A cluster of bells centered the table. Miss Billy Jean Jones poured the punch and Miss Charlotte Henry served the cake squares.

Arrangements of queen's crown and carnations were used throughout the party rooms.

Assisting in this courtesy were Mesdames J. P. Skinner, Lynn Bartlett, C. B. Overby, Preston Isaac, Clarence Seale, Vera Joyce and Perry Cox. The hostess gift to the honoree were pieces of her chosen china.

At another pre-nuptial courtesy at the home of Mrs. Herbert Keller, Mrs. Keller welcomed the guests and presented them to the honoree and her mother.

A fruit-filled cornucopia decorated the dining table, which was laid with a green linen cloth. Miss Katherine Ramsey presided at the coffee service.

Mrs. Allison registered the guests; Mrs. Jack Seale and Mrs. Morgan Seale were in charge of the gift display. Others in the house party were Mrs. Clyde Weatherford, Mrs. Elmer Seale and Mrs. Vera Joyce.

Sue Ann Mills Becomes Bride Of Leland Tindall in Church Ceremony

Miss Sue Ann Mills of Milano and Mr. Leland Tindall of Cameron were married in a double ring ceremony at two o'clock in the afternoon, Sunday, August 29 at the Milano Methodist Church. Rev. Fox, pastor of the First Baptist Church, Milano, read the beautiful ceremony before an altar decorated with two baskets of white gladiolas and greenery.

The traditional wedding music was played on the piano. "Because" and "I Love You Truly" were sung preceding the nuptial ceremony.

The bride wore a light blue linen suit with black accessories. Her hat was white and she wore a corsage of white carnations. She carried a white Bible.

Attending the couple were Mr. and Mrs. Hugh Ridout of Killeen, sister and brother-in-law of the groom. The matron of honor wore a navy blue crepe dress trimmed with whitte

The mother of the bride wore a navy and white dress with a pink carnation corsage. The groom's mother chose a navy crepe dress and wore a white carnation corsage.

Immediately following the ceremony, Mrs. Hugh Wimberly entertained at the reception, given at her home. The table was covered with a white lace cloth and held the four tiered wedding cake and punch bowel.

Mrs. Wimberly cut the cake while Miss Johnnie Louise Tindall of Cameron, sister of the bridegroom, poured punch. Miss Melba Small of Milano was in charge of the bride's book. Assisting in the house party was Miss Vetric Mills of Dallas, sister of the bride.

Parents of the bride are Mr. and Mrs. R. L. Mills of Milano. The groom's parents are Mr. and Mrs. John Tindall of Cameron.

Mrs. Tindall attended Milano schools while the groom attended Yoe High School in Cameron. He was employed at the Cameron Herald for three year and presently is employed at Greenville, where the couple is at home.

Stutts-Storey Reunion Held At Wayside

The sixth annual Stutts-Storey reunion was held at Wayside Park in July. A picnic lunch was served. W. W. Storey was elected president and Mrs. Gladys Storey Holley, secretary for the group for the coming year.

Attending from Houston were Mr. and Mrs. Raymond Storey, Mr. and Mrs. Walter Hildebrandt and family, Mr. and Mrs. Dick Holley and family and Mr. and Mrs. W. W. Storey and family.

From Pasadena were Arthur Storey, Opal and Barbara Nicholson, Mr. and Mrs. S. M. Storey and family of Shreveport, Mr. and Mrs. W. W. Doshier of Temple; Mr. and Mrs. Vernon Goff of Brenham; Mr. and Mrs. Johnnie Stutt of Floydada; Mr. and Mrs. A. B. Carthers of Waco; M. M. Connor and Joe Roard of Arlington, W. C. Gross of Rockdale and Mrs. Virgil Storey of Hearne;

Attending from Cameron were Mr. and Mrs. R. L. Storey Mrs. Jane Smith, Yvonne Storey, Mr. and Mrs. Bill Storey, T. M. Smith, Mrs. Ada Pratt, Cecil Baker, Misses Eula and Dovie Quillen, Mrs. Minnie Baker, Johnnie McAtee, Laol Mae Marfield, Mrs. Joe Luce, Mrs. Linnie Mode, E. T. Edmonds, Bill Whitaker, Mrs. John Williams, David Smith, Sealy Lamkin, Mr. and Mrs. Jack Pratt.

Mr., Mrs. Brown Given Surprise 60th Anniversary Dinner Sunday

Mr. and Mrs. J. F. Brown, 609 E. 11, Cameron were honored with a surprise dinner by their children at their home Sunday, August 29. The occasion was the observance of their sixtieth wedding anniversary. All of their children were present for the lovely affair.

Mr. Brown is 83 and Mrs. Brown is 77. They were both born in Emporia, Lyon County, Kansas and came to Cameron in 1917.

The dinner table covered with a linen cloth was centered with an arrangement of orchid pom-pom mums. Other flower arrangements were at vantage points in the living and dining rooms.

Present for the celebration were F. C. Brown and son John Fred, R. L. Brown and daughter Betty Ann of Waco; Mr. and Mrs. Frank Brown and daughter Nancy Jane of Houston, Mr. and Mrs. Dero Jenkins and Mr. and Mrs. Penn Wolf of Cameron.

First Baptist Class Meets At Allen Home

Minnie B. Henderson Class of the First Baptist Church met at the home of Mrs. Homer Allen Thursday for a general business meeting.

Mrs. John A. Smith, Sr., opened the meeting with a prayer, while Mrs. Herman McCloud gave the devotional.

After the business meeting, the eleven members and one guest, Mrs. Tom Wardlow, enjoyed a social hour.

Yoemen-Buffaloes Scrimmage Here Friday Night

The Yoemen and the Giddings Buffaloes scrimmaged for an hour and half Friday night on the Yoe field. Both teams looked good for a scrimmage this early in the season. The Buffaloes scored about 2-1 over the Yoemen, Coach Jackson reported.

The Yoemen are a young inexperienced ball club but are showing improvement with every scrimmage, Coach Jackson added. Local fans must be patient with this fine young group of players. The reserve strength is about equal to the first team which sounds extremely good. Such strength makes for a better team next year.

All the boys looked good and the spirit is high. With such good morale among the players, the Yoemen will make a good stab at district play.

The first game of the season is scheduled here Friday night with University Heights, Waco, a non-district game.

Mr., Mrs. Conrad Jekel Entertain Weekend Guests

Weekend guests in the home of Mr. and Mrs. Conrad Jekel, Jr., Little Ann and Dwight were Mrs. Jekel's two brothers, Mr. and Mrs. Ladis Novotny and Bobby Lynn of Ennis, Cpl. Preview Of 1954 Yoemen Given

A series of articles have been written so that the fans may get acquainted with the boys who will make up the 1954 fighting Yoemen. The boys began from scratch mostly from this year. There were three regular starting players who returned for the season, plus six lettermen.

Although green and inexperienced, the boys have not let this hinder their attitude, willingness to learn and win and high spirit that literally must accompany each team.

As everyone knows the going in District 22-AA will be tough this year. It seems everyone is predicting everyone else to win. The teams all seem to have about the same number of returning lettermen, they all seem to be building the mold from B starters last year and it's going to be the hustle that counts and the spirit that's kept when the going gets rough this season.

Coach Leo Jackson and Coach Dick Young have both indicated that the group of boys out for the Yoe High football team this year have been one of the easiest group to train and work with. Coach Jackson spoke highly of their attitude in learning and working out on the field. A team with good clean sportmanship is one of the highest assets it can attain.

Tackles

Only one letterman returns to the guard position, and he is George Absnaider, 160 pound senior, who won his first letter last year. George is a good offensive blocker and has proved himself to be outstanding in defense. George played a lot of ball last year, but didn't make the starting post. However, fans can rest assured, that he is back this year strongly bidding for that post. George makes up his lack of heavy weight by hustling. He is a fast little demon who will add a lot of good blocks to the Yoe forward wall this season.

Two squadmen return this year and one is 190 pound Clyde Wallace, a high school junior. Wallace is a good offensive player with a fine attitude. He is a good hustler and there is high hopes for a quick development for the 190 pounder.

The other squadman is John Johnson, who also weighs in at 190 pounds. Johnson is an outstanding defensive boy with a good attitude. He is a hard worker and trys his best at all chores. The senior tackler is holding his own and much is expected from him this season.

Monroe Bayer is also a tackle on the Yoemen squad. The big and rough sophomore weighs in at 190 pounds and graduated up from the B team this year. Bayer plays hardest when the going gets tough, and likes it best that way. He should develope into one of Yoe High's finest linemen as the young gridder has an early start.

Fred Fleischer, a 154 pound tackle, who has had a year of experience on the B team, is an A student in school and a good trainer on the field. Fred is a good blocker and still has three years of football with the Yoemen as he is only a sophomore.

The coaches have stated that it was hard to point the finger at any one player as being the 'best and most outstanding.' Cameron has a team that is equally run by all the players, each adding his share and helping the other. The boys work together as a team and not as individuals. "One nice thing about it," Coach Jackson stated, is that you can replace the boys and they take hold as though they've been there all of the time."

Competition for the actual starting posts this year is keen.

The line, which is definitely green, will average approximately 157 pounds. The backfield men average in at 149 pounds. It'll take a lot of hustle and aggressive attitude to hold off opposition, but the little Yoemen are showing up in that catagory pre-season, and shaping into fine linemen. But Coach Young's linemen have generally always managed to hold back the boys outweighing them considerably and gave good blocks for the backfield men to score the points. This year, it'll take more of the same teamwork.

Guards and Centers

The guard positions in the Cameron Yoemen's forward wall will definitely see new faces this year. Coach Dick Young doesn't have on letterman returning to that position.

Expected to see action are Henry Brown, Paul Hoelscher, Laddie Dohnalik, Steven Polzer and Clayton Canizales. All four boys are new but learning fast.

Brown, a 154 pound senior came up to the A team from the B squad this year. His fair speed and fine aggressive spirit will go a long way when needed the most. Brown is best as an offensive blocker. He is the only senior guard on the squad.

Hoelscher, who is only a sophomore, weighs in at 165. The bright prospect likes the game and has good speed for his size. Paul is a good clear thinker and has a burning desire to play.

Another junior up from the B squad is Dohnalik, who weighs 155 pounds. This is his first year on the A squad. He is described as quick, agile, and likes it best when the going gets rough.

Polzer is the youngest of several Polzer brothers who played for the Cameron Yoemen. The 140 pound junior is one of the best diagnosticians of plays and will be used as a defensive quarterback. The boy shows fine leadership ability.

The last guard is Canizales who is coming out for his first year with the Yoemen. He is new at the job but progressing nicely, with much determination. Canizales shows up best on defensive play.

One thing acertain, Head Coach Leo Jackson and Coach Young will have two good Centers to rely on. Back as the only returning starter in the line is Tom Collins. The 140 pound junior is a straight A student when it comes to his class work, and a good A ball player. He is an excellent blocker and a fine leader in many ways.

A 160 pound sophomore, however, will be giving Junior Collins tough competition this year. Johnny Solomon who was the regular B team center has moved up to the A squad and added much to the line. He is a hard worker and should develop into a fine center. Besides a good, clean ball player, Solomon is a good student in classes and carries a good attitude, both on the field and off.

The guards in the Yoe High line may be new and green, but the boys are showing determination that should carry them far. The centers are just about the most experienced players on the line, and both will add to the power of the Yoes forward line.

Ends

Two lettermen, one from the B team and two new comers form the ends in the Yoe High line for this season. Earning their first letter last year where Albert Mondrik and Benny Massengale. Burk Barr comes up from the B team while coming out for the first time are Fred Petmecky and John Duncan.

Mondrik, who weighs 152 and classified as a senior, has great speed and is a fair pass receiver. His best quality is offense.

Massengale also earned his first "Y" last year and gained some experience while playing with the A squad last year as end. He is a good pass receiver and shows up as a fine blocker. Massengale carries one asset with him, he can play both offense and defense well. He weighs 165 and is a senior.

Burk Barr, a 150 pound sophomore, earned his experience with the B team. Barr is a young and new player, but with a lively desire to play. He is learning fast and gains daily experience with the Yoes.

Petmecky, 155 senior, is out for football for the first time. Petmecky, who is a basketball star, is pressing hard for the starting berth. He is a good pass receiver and plays both defense and offense. Fred has caught on fast for this being his first year out for the team. Petmecky suffered a broken finger during last week's practice.

Also out for the first time is Duncan, a 154 junior. He has a lot of speed and determination, including a lot of good fighting spirit, and he likes it best when the going gets tough. Duncan should develope into a fine end before his eligibilty with the Yoemen expires.

The boys are all bidding heavy for the end positions, and they all seem to be doing as well as can be expected. The boys are not experienced ball players and it may take a couple of games before they catch ahold of things and get the ball rolling. They are doing fine when checking the experience in back of them and are willing to learn. That is the main item that counts when it comes to football.

In Friday night's game with University High of Waco, the ends will be outweighed by at least ten pounds per man. Cameron's ends average 155 pounds while the Trojans average 167 pounds.

Right now about the only comparison of the two teams, who will open the 1954 season Friday night is the weighs — and in one issue they are alike, while on the other, the locals have the short end.

Cameron's backfield averages at about 149 pounds while the Trojans average 150 pounds. The enemies line, however, averages about 175 pounds to the Yoemen's light 157 pounds per man. This average is taken from the entire squad and not from the starting lineup.

Backfield

The backfield of the 1954 Cameron Yoemen is the only experienced crew on the team. Two regular starters, both outstanding in their fields, and five other men, four of which are lettermen, returned to school this week.

A little automatic machine in himself, Jimmy Rettig, left halfback, has nailed the post down for his third straight year. The nimble player is a senior and weighs only 150. He was voted the most outstanding back in District 23-AA last year. He scored 128 points during the past season, and 'the little baby tank' was held scoreless only once, last year and that was by Killeen. Jimmy is a fine offensive runner, blocker and also defensive boy on the team. He is an excellent team man all the way around and well deserves due credit.

The only sophomore in the backfield is Woodrow Lynch, 140 lad. Lynch was selected as the outstanding back for the B team last year and has commenced to the A squad this year. He shows good speed and is a good blocker. Woodrow has the makings of one of the most outstanding backs that Yoe High School should produce.

Joe Lee Heitman, 170 senior, is the fastest boy on the team. Heitman scoots across the field and chops the yards off by the second. Joe, who is an A student in class work, will be used as a play selector at the right halfback post. He is also capable of handling the quarterback position, relieving Joe Michalka, the regular man under. The big bruiser is the heaviest man in the backfield.

The 150 senior quarterback, Joe Michalka, is back for his second letter. It will be left up to him to pull the Yoemen out if they happen to venture in deep water, for if they can't go under or around, the team will rely on Michalka's passing, which is above average. Michalka, who is following in the foot steps of many Michalkas who starred for the team, is also the punter, and a good one. He is tall and rangy, and capable to observe the opponents from all points and be able to be on the lookout better.

Another lad, who has had to follow the footsteps of his brothers, is 155 fullback Leon Beale. Beale is a regular starter back this year for another letter. The Yoes are depending on him to plow through when the going gets rough. He is a good runner, outstanding punter, and good blocker which makes an outstanding team man. He shows lots of hustle and chatter that keeps the younger boys going when the going gets rough.

Right half back Buddy Thompson is also a fast demon in the backfield. The junior back, who weighs 140 pounds, is a one year letterman and good defensive boy. He is used as the line backer on defense besides his offensive chores. Much of the Yoemen's success this year depends on Buddy's quick opening plays.

Another junior on the backfield list is 140 pound Clifford Angell, who plays left halfback. Angell is an important player on the squad and hard runner. He is a good defensive boy and likes it best when the going gets tough. He will add much to the

---

Sgt. and Mrs. Edwin Kurtz are visiting in the home of his parents, Mr. and Mrs. Edwin Kurtz, Sr; they plan to leave soon for Fort Benning, Ga. where Sgt. Kurtz will enter the paratrooper school. He was in Germany for three years in World War II and recently returned from ten months service in Korea.

Winter Bowlers Elect Officers; League Play Begins Sept. 22

Officers for the Winter Bowling League were elected at the meeting held Friday night at the K. C. Hall, Dr. John Boyce, reported.

"Doc" Spears was named president, Ralph Michalka, vice-president and Jim McGoldrick secretary - treasurer.

Eight teams for the men and eight teams for the women have been organized. Several sponsors are needed for some of the teams. A few more players are needed on each team also, both men and women. Persons interested may contact Emil Hollas, at the bowling alley.

Teams already organized include, Lone Star, Falstaff, Cameron Drug, Humble Oil, Duke & Ayres, Cameron Firemen, Safeway, and Dr. Pepper.

The league will get underway September 22. The women will play on Monday and Thursday nights, the men on Tuesday and Wednesday nights.

Bryce McClellen, son of Mr. and Mrs. H. B. McClellen, has returned home after spending the summer in California where he has been employed in a lumber mill located in the redwood forests. He will return to Baylor University this fall where he is a junior student.

Band To Be Offered To O. J Thomas Students This Year

A new subject at O. J. Thomas High School will highlight the beginning of school on September 6, C. L. Sadberry, principal, announced.

The new course offered for the first time is band. Theual Howard has been hired as the part time band instructor.

Sadberry said that all interested parents, who would like their children to take this instrumental music, to be present at the school on Sept. 6 at 9 a.m.

Local KC Officers Attend District Meeting at Brenham

Local officers of the Knights of Columbus Council attended the District Officers meeting at the KC Hall in Brenham Tuesday night. Representing the Cameron Council were Ed Schiller, Jr., grand knight, and Henry Schattle, Jr., Dr. John Boyce and Joe Humplik.

Members of this District are the Councils at Brenham, Cameron, Bryan and College Station.

District Deputy Stanley Gorzycki of Brenham was in charge at the meeting. Monsg. Chas. Weisnerowski pastor, Brenham, gave a short talk to those present.

The next district officers meeting will be held at the K of C Hall in Cameron the latter part of this year.

M-Sgt. Charles Cox Second Engineer On B-36 Bomber

Master Sergeant Charles C. Cox, from Cameron is a second engineer on board a B-36 Bomber at Walker Air Force Base, in Roswell, New Mexico. He is with the 6th Bomb Wing.

The sergeant first entered the service in 1939 and is a former member of the United States Cavalry.

He is a World War II veteran and is credited with 200 hours as a gunner and gunnery instructor.

He attended C. H. Yoe High School in Cameron, and graduated in 1935. Sergeant Cox is married to the former Esther Lee Whisenant and the couple boast an eleven year old son, Charles, Jr. The parents of this Walker engineer are Mr. and Mrs. W. W. Cox of RR 3, Cameron.

Sergeant Cox is a member of a B-36 crew that is participating in the 6th Annual Bombing and Navigation Competition.

Sleeping Sickness Rages In Edinburg

EDINBURG, Sept. 3 — A mysterious disease which has struck down hundreds of persons in the Lower Rio Grande Valley was identified Friday as a form of sleeping sickness.

The symptoms of the disease—which has reached epidemic proportions — are so close to those of poliomyelitis that until two weeks ago all cases were marked off as polio.

Thirteen persons have died so far this year at Valley Baptist Hospital at Edinburg, only area institution with facilities to treat polio, compared with only three polio deaths in the Valley during all of 1953. Three persons died at the hospital this week.

Dr. Charles H. Miller, Hidalgo county health officer, still was uncertain Friday how many sick persons in the Valley were suffering from polio and how many have been stricken with sleeping sickness.

But the mystery disease Friday was definitely diagnosed by the Texas State Health Department as a form of encephalitis, or sleeping sickness.

Mr. and Mrs. O. W. Benold and son, Michael were guests Sunday of his parents, Mr. and Mrs. O. W. Benold Sr. at Georgetown.

Humble Arranges To Sponsor Texas Teams Grid Games on TV

Addition of the American Broadcasting Company's program of live NCAA football telecasts to the 1954 football coverage by the Humble Company has been announced in Houston. Humble has arranged to sponsor the games in Texas.

The scheduling statewide of an outstanding live telecast each Saturday will complement Humble's 21st year of Southwest Conference football broadcasts on Texas radio networks.

The program will include 12 weekly games, starting with the Oklahoma-California meeting on Saturday, September 18, plus a Thanksgiving Day telecast.

Games involving Southwest Conference teams will include the Rice-Wisconsin, Texas-Baylor and SMU-Notre Dame contests. Other top football powers to appear include Michigan State, Ohio State, Illinois and Michigan from the midwest; Georgia Tech, Maryland and Alabama from the south; Southern California, Oregon and Stanford from the Pacific Coast, and the colorful Army-Navy game.

The Humble Company's weekly statewide television program, "Texas in Review", will also show film highlights of the previous games in Texas.

CARD OF THANKS

The Evans family wishes to express their appreciation for the many kindnesses extended them during their recent sorrow. Your thoughtfulness and consideration is appreciated.

Mr., Mrs. Gus Evans, Sr.,
And Families

Those Having MOD Coin Canisters Should Call MYF

All business houses, that still have their coin collectors have been asked to call the Methodist Church, phone 190, so that the canisters may be collected by the Methodist Youth Fellowship, who undertook this job during the August Emergency March of Dimes.

Most of the canisters have been collected, however, a number were not picked up. Mrs. Jack Tumlinson asked that the business houses call so that the funds may be totaled.

It was also announced that anyone wishing to send in their donation it isn't too late to do so. Donations are still being taken and checks should be made payable to the 1954 Emergency March of Dimes. Persons should send their donation in care of the Methodist Youth Fellowship, Cameron, Texas.

Chairman of the emergency drive in Milam County this year is Jack Tumlinson.

Harold D. Caldwell Joins U. S. Navy

Harold Dean Caldwell left on Wednesday for Dallas where he enlisted in the United States Navy for a term of four years.

Caldwell, who will be stationed at San Diego, California for his training, is the son of Mr. and Mrs. Berry Caldwell of Cameron. He graduated with the class of 1953 from the C. H. Yoe High School and was employed at the Edwin Kohutek Service Station prior to entering the Navy.

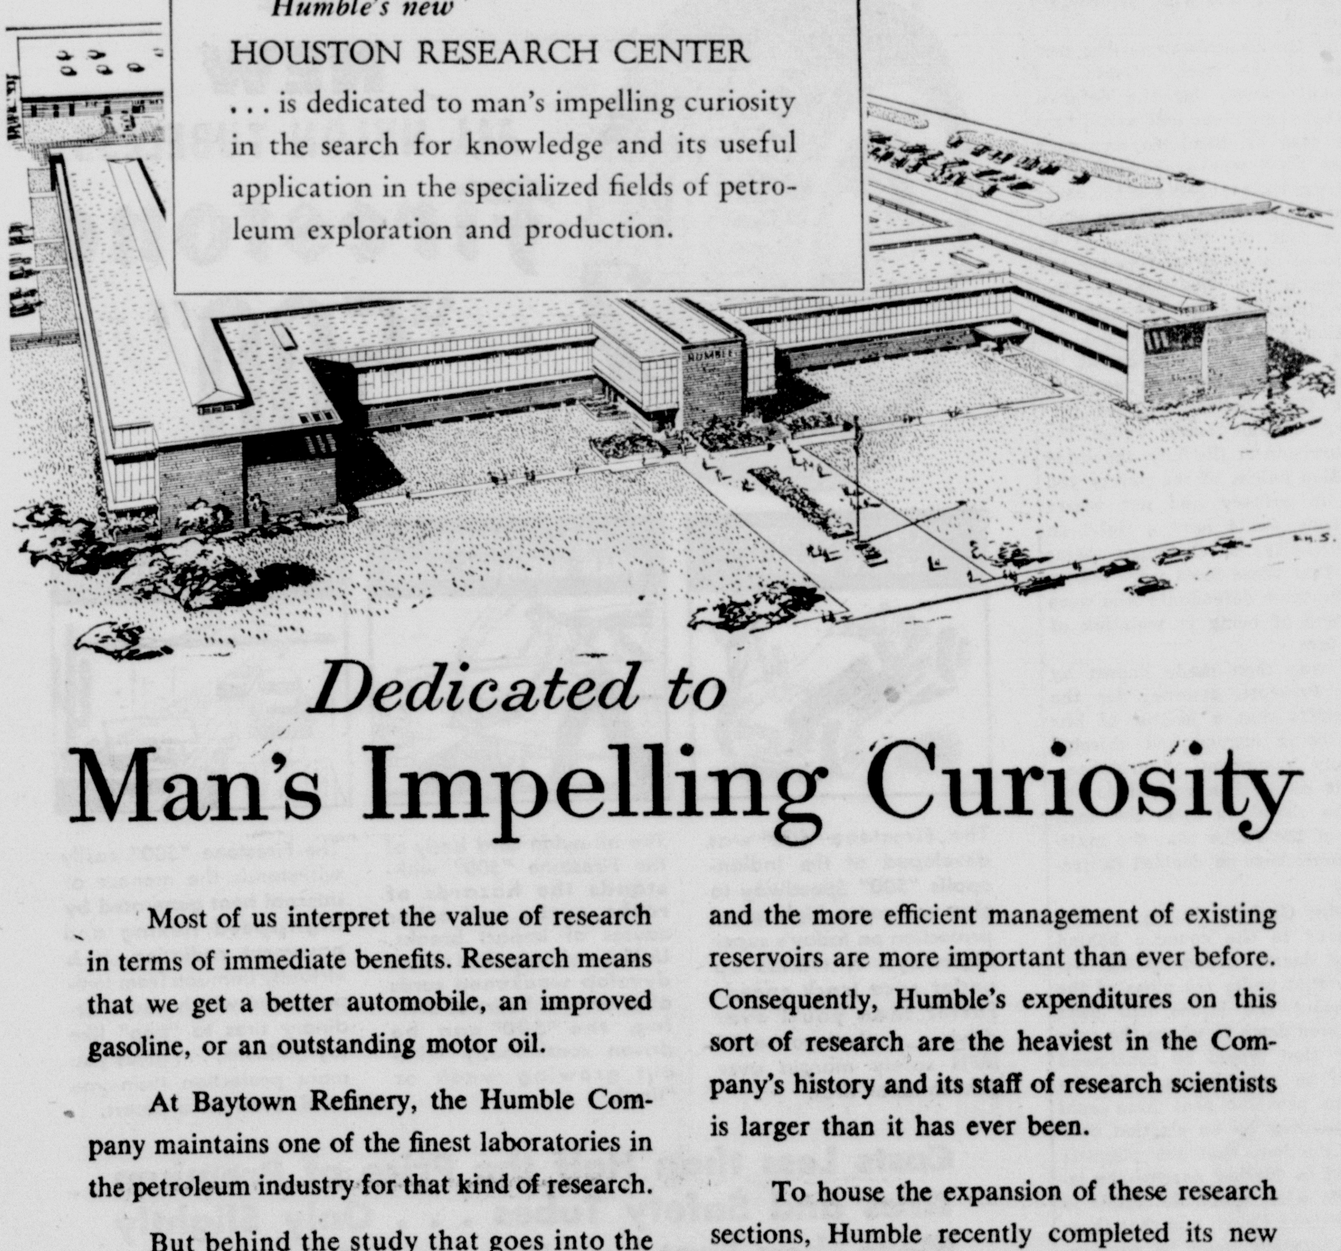
Hugh T. Singleton, Minister

First Spiritualist Church.

Sunday School at 9:45 a.m. Services at 11 a. m. Services each first and third Sunday of the month.

Mrs. Maude Pugh, pastor



Humble's new
HOUSTON RESEARCH CENTER
. . . is dedicated to man's impelling curiosity in the search for knowledge and its useful application in the specialized fields of petroleum exploration and production.

Dedicated to
Man's Impelling Curiosity

Most of us interpret the value of research in terms of immediate benefits. Research means that we get a better automobile, an improved gasoline, or an outstanding motor oil.

At Baytown Refinery, the Humble Company maintains one of the finest laboratories in the petroleum industry for that kind of research.

But behind the study that goes into the improvement of the products it sells, Humble for years has fostered basic research related to the discovery and production of oil and natural gas.

The United States uses so much oil from day to day, and needs so much more to provide for the emergencies of national defense, that studies leading to the discovery of new supplies and the more efficient management of existing reservoirs are more important than ever before. Consequently, Humble's expenditures on this sort of research are the heaviest in the Company's history and its staff of research scientists is larger than it has ever been.

To house the expansion of these research sections, Humble recently completed its new Research Center at Houston and will formally dedicate it this week end.

Here the scientists of the various departments involved in the discovery and production of oil will utilize common facilities, and here they will have the stimulation of close association with other scientists whose efforts are dedicated to a common end.

The new Houston Research Center will provide facilities for research in:
- Fluid Mechanics
- Geophysics
- Geology
- Geochemistry
- Drilling Muds
- Well Log Interpretation
- Subsurface Instruments
- Reservoir Behavior
- Well Stimulation
- Well Cementing

HUMBLE OIL & REFINING CO.

HUMBLE

SCHOOLS —
grade; Mrs. Virginia Schuhsler, third grade; Mrs. Vance Werner, third grade; Leon L. Brady, P. E. for sixth, seventh and eighth grade boys and math and social studies; Forrest Sapp, sixth, seventh and eighth departmental work; and Mrs. Kate Adams, Language Arts.

Other Elementary teachers are Mildred Barr, C. L. Canady, Agnes Dusek, Anita Dusek, Mrs. W. T. Hanes, Frances Hensley, Merle Hickman, Mrs. C. W. Hudson, Mabel Frances Jeter, Frances Jeter, Mary Lawrence, Yolande Layfield, Grace Loughmiller, Nell Mayes, Mrs. Charlie Nabours, Lois Randolph, Mary Randolph, Jenelle T. Smith, Katherine Sproull and Leona G. White.

With the exception of the football team, extra curricula activies will remain at a minimum during the first portion of this school semester, Principal Loughmiller stated, so that the students can get into the full swing of current studies before delegating their time to other activities.

High School

A general course of study, intensified with related extra-curricula activities will compose the average day at the high school.

There are currently 377 stustudents enrolled in the high school, and the mark is expected to near the 400 mark, according to S. M. Layfield, principal, upon completion of registration.

New teachers starting out this term are Mrs. Peggy Miller, a graduate of North Texas College in Denton. In addition to her actual teaching experience Mrs. Miller has been employed by the civilian personnel department in Japan for two years.

V. A. Adams, new coach of the B team, will also teach Math and science classes.

Forrest Sapp, of Wills Point, is a graduate of East Texas State College with experience with a Geophysical Survey Unit in Wyoming. He will teach Biology in the high school and handle some elementary school classes.

The only new courses of study will be in the Industrial Arts section which Guy Clements teaches. There will, for the first time, be second year woodworking classes, two mechanical drawing classes and two Industrial Arts I classes.

At O. J. Thomas School, 325 students reported for the first day classes, Mr. Sadberry stated. He added, however, that within the next week, he expected the number to rise to 360.

Cameron's only Catholic school, St. Anthony's Parochial School, enrolled 162 students on the first day, Rev. Clyde Holtmann, said. The school is under the direction of the Sisters of Divine Providence of Our Lady of the Lake Convent, San Antonio. Eight grades are taught at the school.

GO TO CHURCH SUNDAY

DEATHS —
see the cattle grazing beside the road, with one venturing into the road too late to avoid the accident.

Her car overturned after striking the cow, but she and her son, Ernest, 8 years old, and her Daughter, Thelma, were all reported uninjured except for minor bruises.

ANOTHER CAR FLIPS

One of the other accidents involving only one automobile, was when Mrs. Floyd B. Lucas, of Cameron, was driving home from Pettibone and happened to glance From the road to a bouquet of flowers which she had placed upon the seat beside her. Her car veered into the ditch and made one complete flip, landing upright on its wheels again. She was taken to the St. Edwards Hospital for treatment of an injured shoulder and further observation for injuries.

YOEMEN —
backs George Jureska and Taylor Whitlow. James Davis is capable as a fullback behind regular Robert Pryor.

The Yoemen polished up this week on defense and offense for the Friday night game. Coach Jackson remarked, "if the first team can hold them, the second team can beat them". He continued to stress the fact that the second team boys were just as good as the first, which indicates that Cameron has a lot of reserves. The only item is that the boys are fresh on the gridiron.

Only one major injury was sited this week and will probably be a blow to the Yoemen. The Coaches were counting very strongly on Fred Petmecky, a senior end. Petmecky broke his finger during scrimmage and most probably won't see action, however, there might be a slight possibility that he will be ready for play Friday.

Team captains will be chosen for each game and Cameron will will be represented Friday night by halfback Jimmy Rettig and tackle George Absnaider.

The probable starting lineup for Friday night will be as follows:

Albert Mondrik, senior, left end; Benny Massengale, senior, right end; Tom Collins, junior center; Monroe Bayer, sophomore, left tackle; George Absnaider, senior, right tackle; Laddie Dohnalik, junior, left guard; Paul Hoelscher, sophomore, right guard Jimmy Rettig, senior, left halfback; Joe Heitman, senior, right halfback; Joe Michalka, senior, quarterback and Leon Beale, senior, fullback.

Jackson and Young will most probably try out all of the players during this first game. All of the boys have played good hard ball and showed up well. It was emphazied that it was hard to choose a starting lineup, and the real fight is in the backfield, where all the players have proven to be outstanding.

Managers of the team are J. L. Kirk and James Hollas. Also on hand Friday night will be the ninety piece Yoe High School band, under the direction of Francis Cox. Lawrence Tiller is the new drum major and will take charge of the band on the field.

Cheerleaders for the team are Mary Ann Pilling, Patsy Mullinax and Edna Vybiral, all seniors.

JUDGES —
precinct 21 was on the phone giving the returns from her box.

Bob Abel, manager at the Chamber of Commerce was at the phone receiving the returns as they came in. He filled this capacity during the July Primary. Billy Black, Mrs. Johnnie Baker and Mrs. Lillian Lester along with Chairman, Max McClaren, Sheriff Carl Black, Hinton Pruett and Grady Allen helped in getting the returns tabulated as quickly as possible and also announced from the window of the district court room to the audience o nthe court house lawn.

All of the election managers made phone calls giving returns. Every box was in prior to a few minutes before ten o'clock. The offices of the District Clerk, Grady Allen and County Clerk, Homer Nabours were open for the convenience of election managers bringing in their boxes on election night.

Special commendation has been extended to the managers, clerks, and helpers by the chairman and members of the county executive committee for their prompt and efficient work in getting in the returns.

BAGGETT —
Cora Baggett of Cameron.

Mr. Baggett graduated from high school in Cameron and was an outstanding athlete on both the football and track teams. He attended the University of Texas and worked a number of years in Houson and Waco for the Anderson-Clayton Company. He had made his home in the community where he was born for the past ten years and had been employed with H. H. Coffield in Rockdale for several years.

Mr. Baggett was a large land owner in the Tracy community and had engaged in farming and ranching extensively for the past eight years. He was well known over the entre county and had many friends in Cameron.

Survivors include one brother, Elmo Baggett of Lubbock, one sister, Mrs. Cy Carroll of Philadelphia, Pa., one neice, Miss Nancy Baggett of Lubbock.

Funeral Services were scheduled from the St. John's Methodist Church, Rockdale, at 10 a. m. Friday, September 3, 1954 . Earl S. Yokley, pastor, assisted by Dr. Magers, pastor. First Methodist Church Cameron.

Interment in the Murray Cemetery with Phillips and Luckey Funeral Home directing arrangements.

VERDICT —
ten in Denmark when as healthy a town as Rockdale turns in as much as 30 percent absentee ballots" and their assertion that the public conflict be kept public in an open courtroom with full adherence to the testimony of 219 called witnesses.

Judge Graham over-ruled their plea for open sessions and legally opined that "no evidence could be introduced in the trial of this suit except such as concerned the mandamus proceeding sought in the petition of the plaintiffs, and that considered from the record developed by plaintiffs and defendants, none of the 219 witnesses sought by defendants had any knowlede of what happened before the canvassing board, and were accordingly excused.

At the Saturday morning portion of the trial, Camp and Camp, council for the defense, stated their pleas and asked that the case be dismissed on each plea. Each was over-ruled.

Upon the convening of the court that same afternoon Camp stood firm that the 219 witnesses be allowed to speak and prove the allegations in the petition that the plaintiffs after the other election formed a concerted action, under legal advisement, to find out how they got people to cast their ballots at that primary without being under the supervision of the duly appointed election judges of the county and not in privacy and not where anybody would have a right, an opportunity, to challenge them; and that these facts were known to the three defendants who were charged of being in violation of the law.

It was then made known by Jack Prescott, attorney for the plaintiffs that a matter of law was being argued and objected to any statement of evidence.

The court then retired to the judges chambers upon the decision of the Judge that the matters could best be decided in pretrial.

Judge Graham, in his opening remarks to the councils behind closed doors, reminded the defense that under the pleas of the defendant the issues had been narrowed down to where the only thing that would be considered would be mandamus, with the general provision that there could not possibly be an election contest. Further, that the plaintiff wished to further narrow the issues to what would be triable in the District Court, and that these other matters could be developed only if there was an election contest.

E. A. Camp then again went on record that the defendants expected and objected to being called out of the courtroom and in pricalled witnesses.
vate office for the questions of law to be involved and that they be allowed to discuss the case and the law in public in the courtroom in the regular order of trial.

Without mincing words he informed the convened plaintiffs attorney and Judge Graham that if the defense didn't have any right to challenge these votes or sustain a challenge or throw them out, or whether the challenge was made or not they had to count them, come what may, legally voted absentee, aliens, overs, under, 21, what then, were the courts for.

He then reiterated that the defense council contended that the district court has no jurisdiction to do anything. That if their pleas in abatement had been sustained but since not, then the defendents certainly have a right to show whether or not there was a flagrant abuse of their discretion, and frankly, he added, "I think it is very questionable to pass on their discretions except in an election contest."

Prescott then made clear that it was the contention of the plaintiffs that the activity that occurred down in the Clerk's office constituted fraud as to the voters of precinct 15 but they were not alleging that there was any intentional fraud or intentional conspiracy.

In his final official filed judgement Judge Graham stated, "The City of Rockdale has long been an educational and cultural center, a community of very fine people having many divergent views, beliefs and opinions. Over the future years they will continue to live as neighbors. It is desirable that each should express his individual views and vote his own sentiments. It is inconceiveable that with any large group such as petitioners the performance of a mere clerical act should be done in such a way as to deny the right of suffrage to 247 people and shut the door with the right of hearing forever closed. In a democracy such as ours, all factions should remember that if we enslave our neighbor, or take from him his inherent rights, we place the yoke of bondage upon our own necks."

Rougher, Tougher Than Ever Prison Rodeo Forecast

The 23rd Annual Prison Rodeo, opening at Huntsville Sunday, October 3, will be rougher, tougher, wilder and faster than any ever staged by the penitentiary before. Bigger and better than any of the shows of the past three years, each of which have successively set new records in both attendance and performance. Such is the concensus of opinion wherever you go in the Texas Prison System. Ask employee or inmate and they'll tell you the 1954 show will out-do all others of the past in both action and performance.

Rodeo Manager Albert Moore says he has never had so many new hands bidding for a try-out to enter the competition.

"Even a woman inmate at Goree Farm, the womens' unit, has written in asking for permission to enter the show," Moore said.

Reservations for this greater than ever prison extravanganza are available by mail or wire at only $2.40 each, tax included. Checks or money orders sent to Rodeo Ticket Office, Huntsville, Texas, will receive prompt attention.

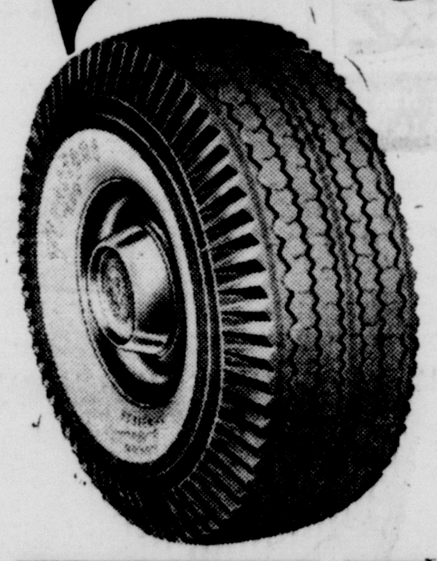
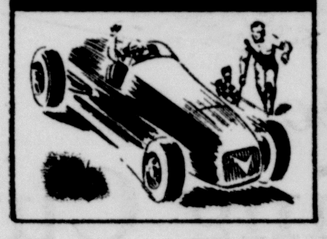
NOW... A SAFETY TIRE AT A POPULAR PRICE



THE NEW ALL-NYLON TUBELESS Firestone "500"

EXTRA HIGH-SPEED SAFETY MARGIN



The Firestone "500" was developed at the Indianapolis "500" Speedway to give you extra high-speed protection on today's super highways. It stands up under race track speeds faster than you'll ever drive, . . . gives you a 15 MPH safety margin over conventional tires.

91% STRONGER THAN ORDINARY TIRES

The all-nylon cord body of the Firestone "500" withstands the hazards of rocks, curbs and other causes of impact breaks. Unlike ordinary tires which develop weakened cords after several hours of driving, the "500" can be driven continuously without growing weak or "tired."

WITHSTANDS 40° HIGHER PAVEMENT TEMPERATURE

The Firestone "500" easily withstands the menace of internal heat generated by high-speed flexing and pavement radiation. It is virtually immune from temperatures which cause ordinary tires to "pop" like toy balloons, . . . gives you more protection than you need, even on a desert.

Costs Less than Half the Price of Premium Tires and Safety Tubes . . . Only Slightly More than First Line Tires and Tubes
